

Cholla District Weekly Update

Councilmember Lauren Tolmachoff

Dear Cholla District Residents,

I am pleased to announce that consumer-products manufacturer Conair Corp. has broken ground on the design-build construction of a new \$40 million plus facility adjacent to their existing campus in the Glen Harbor Business Park. This pushes the total Conair campus in Glendale to 2.3 million square feet, making it the second largest in the valley behind Intel. The expansion also brings an estimated 300 new jobs, for a total of 750 Conair employees in Glendale. I would like to thank our Economic Development Department and Development Services Department for assisting Conair with this expansion, and for bringing additional jobs to Glendale.

Always feel free to contact me with your questions or concerns. I value your input and opinion.

Best Regards,

Lauren Tolmachoff
